Telegraphic Address :  
Instruction.

My dear Sen,

Your confidential D.O. No. 147 of the 7th September  
1934.

I am very sorry that you should have taken exception  
to letters from my office regarding supposed irregularities  
at the Presidency College office. I do not think that, so far  
as I am concerned and so far as my office is concerned, there  
has been any <sup>*wilful or deliberate*</sup> lack of considerations and courtesy to the  
Principal of the premier College of Bengal. Unfortunately  
I have not got the papers here, but I shall look into the  
matter as soon as I ~~shall~~ get back to Calcutta.

Yours sincerely,

*A. K. Chandra*

B. M. Sen, Esq., I.E.S.,  
Principal, Presidency College,
