

D. O. No. 227 (Copy)

PRESIDENCY COLLEGE,
CALCUTTA.

The 6th December 19 35

My dear Chanda,

Your confidential D. O. No. 2625 of the 3rd instant

I have ascertained Sen's views regarding the appointment of a Professor of Geology in the Presidency College. He is unable to say anything about Geology, but considers Dr. Monomohan Chatterji suitable in every way so far as his relations with students or colleagues is concerned. Dr. Chatterji has been carrying on the work of the Geology Department quite satisfactorily. As requested I am giving below a statement of University results for the last few years :

copy of this
statement
is with Mr.
Mahalanobis.
Shri
6/12

Yours sincerely,

A. K. Chanda, Esq., M.A., I.E.S.

Assistant Director of Public Instruction, Bengal.

OFFICE OF
THE DIRECTOR OF PUBLIC INSTRUCTION
BENGALCalcutta, THE 3rd December, 1935.CONFIDENTIAL.

My dear Mahalanabis,

In connection with the question of the appointment of a Professor of Geology in the Presidency College, Government want information on the following points immediately:-

- (1) Ability of Dr. Monomohan Chatterjee, now Offg. Professor of Geology, as a teacher of that subject.
- (2) The relationship between him and his students;
- (3) The success of his students in examinations: a statement showing the results at the University examinations for the last three years will serve the purpose; and
- (4) Generally a report on the Professor's work during the last three years.

I hope you will ascertain Sen's views and let me have an immediate reply.

Yours sincerely,

P. C. Mahalanabis, Esq.,
~~Professor in Charge,~~
Principal, Presidency College, Calcutta.

L.R., 3/12
