Dhircanda Babu  
order passed File Jom. Sen  
8/9/34

Principal

I am submitting below my recommendations in the following cases :-

(1) Babu Sripati Nath Mitra. He is very clever and quick, but <sup>not quite</sup> reliable. Since stopping his increment he has improved to some extent. I recommend that his increment be sanctioned with effect from the 1st August, 1934. He will require careful watching.

(2) Babu Hemendra Nath Raha. He has good technical ability, but he is not a sufficiently willing worker. I have explained the position personally to him, and I have given him time till the end of the present session to convince me that he deserves confirmation in the post of the Instrument Keeper.

(3) Babu Sriharsha Biswas, temporary Electrician. He was guilty of gross negligence of duty last year which was reported to the Principal. Since then I have watched his work carefully. I do not feel justified in recommending his confirmation.

(4) Bhusan Chandr Das, Carpenter. His increment has been stopped for unsatisfactory work. He has improved to some extent recently and I recommend that his increment be sanctioned with effect from 1st September 1934. I am not entirely happy in making this recommendation, and in case his work again falls below the required standard of efficiency I may have to ask for a stoppage of increment in future.
