Para 4

382

my dear Professor

The boy you write about  
Shenckman's son is already in  
the College (in Stuttgart's days) and  
therefore has only to be transferred  
to the Free list which will be  
all right. The leaves in the  
College now has been stopped  
, so I shall put the boys back  
again forthwith.

Yours very truly

D. L. Richardson

25<sup>th</sup> June 1849.
