Principal, Presidency College, Calcutta.

The Director of Public Instruction, Bengal.

Calcutta, The 23rd January 1939.

Sir,

I have the honour to report that Dr. Kulesh Chandra Kar, Lecturer in Physics (Presidency College Grade) is due to reach his efficiency bar on 8th July next.

He is actively engaged in Research work on Theoretical Physics and has published many papers in well-known scientific periodicals, such as the Zeitschrift für Physik. He is, however, a shy scholarly type of man and is not exactly a social figure. He is deeply interested in his students and offers them every help.

I have, therefore, to recommend that he may be permitted to cross the efficiency bar.

I have the honour to be,

Sir,

Your most obedient servant,

B. M. Sen
Principal, Presidency College.
