Para 7

430

I have accepted that Rajarami Bose - has
 Scholarship holding the Widow's Pension. appears
 to be labouring under a severe attack of
 dyspepsia. probably produced by over study and
 leading to sedentary life. I recommend
 him to be absent for a month - less
 than 6 months during this time - and return
 his studies - as he would be better
 with Erudition before in time to get
 such Scholarship Immunities.

I have about
 1845. Professor

Mrs. [Name] [Name]
 17 23. 1845

mistake - should have been July - having been
 under way - before yesterday - 25 July 1845 - R. S. B.
