The Principal
Presidency College.

Sir,

The book should be returned
then re-issued

I beg most respectfully
& humbly to inform you that
as the book "Helmholtz's
Sensations of Tone" which has
been prescribed for our text,
is not at present available
in the market, I wish to keep
one of the library copies of the same
with me during the vacation.
But this I can not do under the
existing rules of the library, so I
solicit the favour of your kind
giving me a ^{special} permission to do that.
