under the East
on the west by the
Purnia Staion
and on the North by
Madra Mohan Set
Lane.
I may point out in this
connexion that at the estimate
which was called for in May last is urgently
required by the Director
of Public Instruction, Bengal,
connexion with a
proposal sent up to
Pundratal Piresjah,
College for the future
administration of the
College.
I shall be much obliged
if you would kindly
inform me at the same
time what amount
of land has been acquired
up to date for the College
in connexion with the
improvement scheme
of the College and what amount
has been paid for.
As the matter has been
delayed for so long time a
two favour of a very early
reply is requested.

C.  

To:
The Land Acquisition Department,  
Deputy Collector,  
Alipore, 24 Parganas  

I have the honour to invite your attention to a letter from this office dated 29th May 1914, in which you were asked to furnish this office with an estimate for the acquisition of a piece of ground bounded by Hindustan Street on the north, Presidency College ground on the west, College ground on the east, on the north by Puning Street and on the south by Madan Mohan Sen Lane.  

I have to inform you that an estimate called for...
As the Director of Public Instruction, urgent requirements in connection with a proposal put up by the Principal, Dresden college for the further development of the present college, I shall be much obliged if you would kindl
time at the same time what amount of land has been acquired and if a
close for the college in
close in connexion with the inherent
scheme and what amount
of money has been paid for it.

And it is a very early

The favour of a very early

reply is requested.

I have

a d. p. g.
The Director of Public Instruction
Bengal.

1, Hastings Street
Calcutta, the 7th January, 1915

Sir,

In reply to your letter No.634/41-21-1914 dated the 11th January 1915 and previous correspondence on the subject of the proposed acquisition of the land required for the further development of the Presidency College, I have the honor to submit herewith an estimate of probable cost of acquisition of the land and to return the plan.

2. About 13 Bighas of land costing approximately Rs.884000 has been acquired in three instalments for the extension of the Presidency College during 1908-13. The area and the cost are given from my memory. If the exact figures are required they may be submitted in 2 or 3 days as the records and registers in connection with the acquisition of the land are in the Alipore Collector's office.

I have the honor to be,

Sir,

Your most obedient servant,

[Signature]

End. L. A. Collector
Estimate of probable cost of acquisition of the land required for the further development of the Presidency College.

Area 6-8 at an average rate of Rs.2450/- per Cotta ........................................ 317275--0--0

Value of buildings and other structures ........................................ 328140--6--0

S. A. at 15 % ........................................................................... 96812--4--11

Damage Etc. ............................................................................. 5000--0--0

Add contingencies at 2\% per cent .......... 18680--11--1

Certified that the above rates have been arrived at on local enquiry, on inspection of the ground and with reference to the recent acquisition in the immediate neighbourhood.

The estimate is fair.

2nd. Land Acquisition Collector.
Calcutta.

Bidhu. 18.1.1.5
The Director of Public Instruction Bengal
1, Hastings Street
Calcutta, the 16th January, 1915.

Sir,

In continuation of para 2 of this office letter II No.193 L.A. dated the 13th January 1915, I have the honor to state that B.11-C.18-Ch.14-Sft 14 of land was acquired for the extension of the Presidency College in three instalments at a cost of Rs.78487/-9-9 excluding pleader’s fees and law expenses which were debited to the Collector’s contingencies.

I have the honor to be
Sir,
Your most obedient servant

To

The E. P. Harrison,

Professors in charge
St. Mary's College

My dear Harrison,

We will now add a few notes to my February 20th letter No. 1296 dated 29th May 1914 and let you know the exact date of the withdrawal of the land and the time and whole of the new laboratories and its estimated value. The above notification called for a urgent request as well as in continuation with the proposals made in the President's letter No. 652 dated 26th February 1914 for the President.
