

D. O., No.

PRESIDENCY COLLEGE,
CALCUTTA.

The 13/11 1933

Dear Sen,

I can safely recommend
Purna Chandra Mukherjee for
the Madras vacancy. He
is an old student of this
College, and was always
extremely well behaved. His
father is Mr. Jago Chandra
Mukherjee, one of the Lecturers
in Physics in the Science
College. Purna stood 1st in
Physics (and 4th in the combined
list) in the B.Sc., 1st class 1st
in B.Sc. Honors Physics in 1930.

1st class in
M.Sc. Physics in 1932 with
X-ray as his special subject.
During the last 2 years he
has been engaged in research
work in the Science College
and has sent one paper for
publication. He is willing to
go to Madras on Rs. 100/-
a month.

Yours sincerely

K. Mahalingam
