## **Acknowledgement**

This thesis marks the culmination of several years of dedicated research and writing. In producing this thesis, I have attempted to consolidate all my observations backed with rigorous academic research and interactions with many learned people. All this would not have been possible without the whole-hearted support from many people, and I shall forever remain indebted to all of them.

First, I would like to thank my supervisor, Assistant Professor Dr. Madhuchanda Ghosh, Presidency University, Kolkata, for her guidance.

I would also like to thank Dr Gurpreet S Khurana, former Executive Director of National Maritime Foundation (NMF), New Delhi, Dr. David Scott, ongoing presenter at the NATO Defence College (NDC) in Rome, and Indo-Pacific analyst for the NDC Foundation, Prof. Sumit Ganguly, Rabindranath Tagore Chair in Indian Cultures and Civilizations and Professor of Political Science, Indiana University, Bloomington, Prof Barry Buzan, Emeritus Professor of International Relations at the London School of Economics and honorary professor at the University of Copenhagen and Jilin University, Joseph Nye, University Distinguished Service Professor, Emeritus and former Dean of the Harvard's Kennedy School of Government, Rory Medcalf, professor and Head of the National Security College at the Australian National University, David Shambaugh, Gaston Sigur Professor of Asian Studies, Political Science & International Affairs, and director of the China Policy Program at the Elliott School of International Affairs, George Washington University, Washington DC, Prof. Yamamoto Takehiko, Emeritus Professor, Graduate School of Political Science, Waseda University, Tokyo, Prof. Yoshihide Soeya Faculty of Law of Keio University, Horimoto Takenori, Visiting Professor, Gifu Women's University, Sataro Nagao, Visiting Fellow at Hudson Institute, and Dr Thomas S. Wilkins, Senior Research Fellow, Japan Institute for International Affairs (JIIA), Senior Lecturer, Department of Government & International Relations (GIR), for sharing their insightful suggestions, invaluable advice, and feedback on my research. They all have played a major role in polishing my Doctoral Thesis. Their endless guidance is hard to forget throughout my life.

I wish to thank all the people of the American Centre library Kolkata, the US and Japanese Consulate, Kolkata and Presidency University, Kolkata, whose assistance was a milestone in the completion of this project.

Finally, I must thank my parents for their constant support and encouragement at home and supporting me silently throughout the process. I consider myself nothing without them. Their unstinted and untiring support, guidance, and encouragement all through my Ph.D. journey to be professional and do the right thing even when the road got tough will forever remain a source of inspiration for me to help others in their academic endeavors. They gave me enough moral support, encouragement, and motivation to accomplish my goals and achieving my objective without any obstacle on the way.
