ACKNOWLEDGEMENT

First and foremost, I am extremely grateful to my supervisor, Prof. Pradip Basu for his invaluable advice, continuous support, and patience during my Ph. D. study. His immense knowledge and plentiful experience have encouraged me in all the time of my academic research.

I also thank Shri Atanu Hait and Shri Supriyo Ghosh from NSSO, Kolkata for their technical support on conducting the survey among the selected groups and chosen area of my study.

I extend my sincere gratitude to all the esteemed members in the Ph. D. committee. It is their advice and suggestions that have enriched my study.

I also thank Shri Supriyo Roy for his advice and continuous support regarding the analysis of the surveyed data.

Finally, I would like to express my gratitude to my parents and my daughter. Without their tremendous understanding and encouragement in the past few years, it would have been impossible for me to complete my study.
