Dear Khan Bahadur Sahab,

I am enclosing herewith special Confidential report of Prof. Ahmad Ali. He joined the service on the 22<sup>nd</sup> January 1944, his confirmation is therefore due on the 22<sup>nd</sup> January 1946. I expect you will kindly take early action in effecting his confirmation on the due date.

I should tell you in this connection that his passing ~~the~~ Departmental Examination in Bengali should not be made a condition precedent to ~~the~~ his confirmation. He ~~did~~ <sup>ent</sup>

was told ~~not~~ <sup>should</sup> that he ~~had to~~ pass this  
examination. He will take it at  
a very early date. I therefore  
feel that at this time that  
question should not be raised.

Yours sincerely  
Iqbal Khan
