

Principal

The letter below has been read by the Librarian along with an unofficial file returning one book by the Supdt. Govt. Press & sent to me.

Previous papers are also put up. The Prof. Sengupta was requested to examine Tarak Babu as he was here at that time. Tarak Babu told me that the H.C. will be submitted although he is going to Rajshahi. As the S.D. has arranged with the Principal of the Rajshahi Collg. about it the confidential report may perhaps be submitted.
