M. A., P. R. S., Ph. D.  
Prof. Presidency College, Calcutta.

Chemical Laboratory,  
Presidency College  
Dated the 26<sup>th</sup> Nov. 1936.

To  
The Principal,  
Presidency College, Calcutta,

Sir, with reference to your note I beg most respectfully to inform you that I did not know that my application for crossing the efficiency bar had to be made about a year before. I sincerely express my greatest regret for the great delay in making the application.

I have the honor to be  
Sir,  
your most obedient servant  
Anukul Chandra Sircar  
Demonstrator in Chemistry.

Shiden Sabn

Such applications have  
to be made about a year  
before the efficiency bar is  
reached. A word of  
explanation is necessary for  
the great delg.

Please return this to Dr  
Sarkar.
