Simla 23rd October 1871.

Sir,

It having been brought to the notice of His Excellency the Governor General in Council that a difference of procedure exists in the entrance examination of the Thomason and Presidency Colleges, either Latin French or German being a compulsory subject at the former while at the latter the option is between Latin Greek and one of the oriental languages, I am directed to point out that it is considered that the procedure at both colleges should be the same and to request that

the Government of India may be
favored with an expression of your
opinion on the subject. -

I have the honor to be

Sir
Your most Obedt. Servt.
