Dear Rai Bahadur,

As I was called to Calcutta to attend to my sick niece + your D.O. letter dated 17.10.30 was not redirected then I could not reply to it earlier. I hope you will not grudge me another favour + will be good enough to furnish me with a copy of Mr Banerjee's D.O. letter No 384 of 24.10.30 referred to by Mr. Volpe in his No 1879.

I still can not understand how the question of membership can at all arise; for Mr Banerjee was to have referred to the DPI, if at all such a reference was thought necessary, in respect of my application for Chairmanship. I may even make bold to ask you to look into this application of mine dated 13.10.30 + also my letter of 19.10.30 in which I pressed Mr Banerjee to expedite disposal of my application before he left the Colap.

Rai H. C. De Bahadur M.A.
Prof: in Charge, Presidency College.

Thanking, Dear Sir,
H. C. D'Sarkar
